

## **Pray At Your Own Risk**

### **Week 4 Connect Group Guide**

#### **WALK THE WALLS - Faith in Motion**

1. When you were a kid, did you learn the story of Joshua and the walls of Jericho? If so, tell us about that experience.
2. How has your understanding and practice of prayer changed during this series?

**Read Aloud:** Joshua 6:1–5 and Hebrews 11:30

3. Why do you think God asked Israel to walk instead of fight?
4. When have you allowed prayer to delay your obedience?

**Read aloud:** James 2:17 and John 2:7

5. What stands out to you in this story where Jesus asked the servants to fill the jars before they saw the miracle?
6. Why do you think God often invites human obedience before divine transformation?
7. What wall are you facing right now?

“Obedience does not create the miracle, but it creates space for God to move.”

8. Have you ever experienced physical movement as an expression of your faith? If so, will you share your experience with us?
9. How is God inviting you to “walk” your prayers this week? In your home, neighborhood, workplace or church?
10. What is one step of obedience you will take this week?

#### **This Week’s Challenge**

  - Your Church
- As you walk, pray slowly and intentionally.
- Do not rush for results. Focus on obedience.
