

Portraits of the Savior-Week 2-The Servant

Remember:

1. What weakens when communities weaken? What illustration did Travis use to show this?
2. How is the kingdom of Christ different than that of the world?

Read Aloud:

John 13:3-8

John 13:14-15

Discuss:

1. During the time of Jesus, what job did the lowest of servants do?
2. Before the arrival of Christ, what did people expect him to look like? What position of authority would he hold?
3. What type of culture does Jesus command of us as Christ followers?
4. Why did Jesus become a servant?

Apply:

1. What is a simple way you can reflect servant leadership in your daily life?
2. What spiritual gifts am I currently not using in service of the kingdom?
3. Are you stretched too thin and serving in too many areas? Is there something you need to let go of so you can be more focused on something else?

Pray:

Pray for the person to your left that God would use them in where they are currently serving and in their daily life. And that He would call those who aren't serving into service of You.
