

## Portraits of the Savior - Week 5 - The King

### Remember:

1. What is your favorite Easter memory as a child?
2. What did we learn about kings from Pastor Travis' history lesson?
3. What four verbs did we learn are true of King Jesus?

### Read Aloud:

Romans 6: 3 - 4

### Discuss:

1. The resurrection is a revelation, not a reaction. What does it reveal about your heart?
2. What idols are competing with Jesus for the throne of your heart?
3. If you have been baptized, will you share your salvation and baptism experience with us? (If you already discussed this as a group feel free to skip or ask another questions where people share stories about themselves.)

### Apply:

1. The resurrection demands a response. How will you respond to Jesus's resurrection this week?
2. In what way's will you set down your idols and make Jesus your king this week?

### Pray:

Popcorn pray one sentence prayers for the group to respond to Jesus with surrender, obedience, and worship.
