

In Light of the End – Week 2 - When Life Doesn't Play Fair

Remember:

1. If you've seen Zootopia, who is your favorite character?
2. What are the 4 truths Pastor Walter shared about living a good life?
3. When was the last time you sought the wisdom of an older generation? What did you learn?

Read Aloud:

Ecclesiastes 3:16-20 and Ecclesiastes 9:11-12

Discuss:

1. "The places that are supposed to be right are not always right. The systems that are supposed to work don't always work." What rises in you as you think about those statements?
2. What are you trying to control that God never asked you to control?
3. What formulas do you find yourself using in the face of the reality that you cannot control life?

Apply:

1. What would it require of you to accept life as it comes?
2. What practical things can you do to choose trust in God when life doesn't make sense?

Pray:

Pray over the person on your left and ask God to help them trust Him this week.
