

In Light of the End – Week 4 – When Life Doesn't Make Sense

Remember:

1. Mother's Day can be complicated. If you feel safe to share, would you tell us what it's like for you?
2. What were the 3 truths Pastor Leann shared?
3. What impacted you from Pastor Leann's story?

Read Aloud:

Ecclesiastes 3:1-15

Discuss:

1. In what season(s) do you currently find yourself?
2. What was your most recent or most impactful Ecclesiastes season?
3. When or how do you taste a bit of heaven here on earth?

Apply:

1. How might you be defining "good" differently than how God defines it?
2. When you feel a longing for understanding starting to frustrate you, how could acceptance of your God given limits encourage you?
3. What will your response be when life doesn't make sense? How can your group pray for you as you grow in this area?

Pray:

Pray for the person to your left using the words they shared answering the last question.
