

Let Go – Week 4 – Trusting God with What's Next

Remember:

1. What truth or question from the past three sermons is still sticking with you?
2. Who should we blame for our struggle with letting go? (hint: Titanic)
3. What are 3 benefits of letting go?

Read Aloud:

Isaiah 43:18-19 and Exodus 14:13-14

Discuss:

1. Are there areas where you focus more on what God has done than on what He wants to do?
2. Where do you currently find yourself in the process of suffering – groaning – weakness – uncertainty – God's good?
3. How does your definition of "good" differ from God's definition of "good"?
4. What is open space like for you? How do you try to fill it?

Apply:

1. What is God changing in you in this season?
2. How will you create space for God to speak and move in your life?
3. Are your activities building your kingdom or God's?

Pray

Pray for the person on your left to grow in trust of God and ability to wait on Him.
