

God is...---Week 2---God Creator

Remember:

1. What is one of the most common identifiers of God throughout the Old Testament?
2. Read Genesis 1:1 How does this verse describe the timeline of creation and God?

Read Aloud:

Genesis 1:2-3, Genesis 1:26-27, Psalm 33:6-9, Romans 24:1

Discuss:

1. How should we define ourselves? Where should we find our identity?
2. It's easy to know that we have our identity in Christ, but do you ever struggle with this? Have you ever felt without purpose and direction?
3. What is the difference between assignment and identity?
4. How does more understanding of God affect our worldview?

Apply:

1. How are you currently defining your worth? Is it in what you do, your friendships, family, material possessions?
2. We live in a world of distraction, turmoil, and identity crisis. Is there someone in your life who you can speak life into this week?

Pray:

Pray to the person to your left for identity in Christ and the assurance that they are worthy of His love.
