Die Empty - Week 2 – The Trust Test

Remember:

1. What three truths did Pastor Travis share about trust with finances?
2. What is “mammon”?

Read Aloud:

Matthew 6:19-34

Discuss:

1. Pastor Travis said there are two relationships with money: 1) Money as a resource. 2) Money as my source. How do we know which relationship we have?
2. “Financial struggle in not evidence that you have failed God, and financial concern does not mean you lack faith.” What healing do those statements offer you?
3. What is the difference between testing God and trusting God?

Apply:

1. What do your treasure, worry, and masters tell you about your trust in God?
2. In your next bout of financial anxiety or insecurity, how will you realign your trust?
3. How will you be faithful when the outcome isn’t what you’ve chosen?

Pray

Pray for the person on your left to grow in trust of God with their finances.
